

UFOMADU NNAEMEKA JOSEPH

FRONT-END DEVELOPER

Summary

Experienced and enthusiastic Front-End Developer with over four years of crafting and developing engaging web applications. Skilled in HTML, CSS, JavaScript, and modern frameworks like React, I excel in creating responsive, user-centered, and aesthetically pleasing interfaces that align with UX/UI principles. Collaborating effectively with diverse teams, I consistently deliver exceptional products under time constraints. Driven by a thirst for knowledge, I continuously expand my expertise in the latest industry advancements.
