Professional Summary: I am a Frontend Developer with over 4 years of experience building scalable, performant, and user-centric web applications using modern technologies like React, Next.js, and TypeScript. Strong background in collaborating across cross-functional teams, integrating APIs, and implementing responsive UI based on Figma and Adobe XD designs. Adept at handling app-wide state management, delivering pixel-perfect UIs, and deploying production-ready features. Passionate about clean code, performance optimization, and continuous learning.

Skills Languages & Frameworks: HTML5, CSS3, JavaScript, TypeScript, React, Next.js

Styling Tools: Tailwind CSS, Bootstrap, CSS

State Management: Redux Toolkit, React Query, Zustand

Tools & Platforms: Docker, Git, GitHub, VS Code

Others: REST APIs, Payment Integration, Responsive Design

Soft Skills: Problem-Solving, Communication, Team Collaboration, Creative Thinking

Professional Experience

Frontend Developer

OpenDesk Consulting Limited, Nigeria

Jan 2021 – Present

- Collaborated with UI/UX teams to design responsive web applications using React, Tailwind CSS, and Next.js.
- Led frontend development on enterprise-level apps for clients like Shell Corporation Nigeria, ensuring accessibility and performance.
- Integrated complex APIs, managed global state with Redux Toolkit, and implemented secure payment gateways.

- Mentored junior developers and improved component reusability and codebase maintainability.
